

Denton Inclement Weather Resources - Winter 2023-24

For those living without a warm, dry, or safe place to escape extreme weather, there are facilities and services available in the Denton community. Information on community service providers, including emergency shelters, that expand services and hours during inclement weather is provided here. A listing of City facilities that are heated with public access to restrooms, water fountains, and sitting areas during normal operating hours is also provided.

Community Service Providers

When inclement weather conditions exist, these providers may open Daytime Warming Stations and extended shelter hours. Please call the provider to confirm hours and services.

DON'T WAIT FOR SEVERE WEATHER TO START HELPING!

Outreach and service providers need gear they can pass out, for folks outside during the summer heat, and to have in reserve during an emergency. Having the right gear staged in the right places before a crisis will help provider's better focus on direct services and life-saving efforts in the moment. Items needed for winter include: **water, reusable water bottles, wet wipes, coats, gloves, hats, blankets or sleeping bags, socks, and rain ponchos.**

¡NO ESPERE A QUE EL CLIMA SEVERO PARA COMENZAR A AYUDAR!

Los proveedores de servicios y de alcance necesitan equipo que puedan repartir, para las personas afuera durante el frío del invierno, y para tener en reserva durante una emergencia. Tener el equipo adecuado en los lugares correctos antes de una crisis ayudará a los proveedores a enfocarse mejor en los servicios directos y los esfuerzos para salvar vidas en el momento. Los artículos necesarios para el invierno incluyen: **agua, botellas de agua reutilizables, toallitas húmedas, abrigos, guantes, sombreros, sacos de dormir, calcetines y ponchos de lluvia.**
